

To: Intermediate Strings and Salisbury Youth Orchestra

SAYM String Chamber Music Day

Sunday 11 March, 10.30am – 4.00pm
St Martin's Primary School, Salisbury

This term chamber music making returns to SAYM! It is often said that chamber music is one of the most enjoyable and sociable ways of music making – who needs the conductor! In trios and quartets everyone will have their own part and work together to create a musical performance.

Music will be sent to you prior to the day so you can make the most of your time together. You will be coached and supported throughout the day by our SAYM string team including Richard Parsons and Sara Trenchard. The day will culminate in an informal 'sharing' of our musical achievements at St Martin's Primary School, Salisbury.

The cost of the day is **£20**, money well spent on a great way to make music together. So fill in the form and return it at a rehearsal with a **cheque made payable to FSAYM** as soon as possible. Join in the music making!

Looking forward to a great day.

Richard Parsons / Sara Trenchard

String Chamber Music Day, Sunday 11 March
