

## **SAYM City Hall Concerts 2018 – 30<sup>th</sup> Birthday Celebration Concerts**

The SAYM Team are all very excited about the forthcoming City Hall Concerts! The arrangements are quite different to our normal Saturday morning rehearsal schedule so please take some time to check the relevant information for the various ensembles across the weekend. We wouldn't want you to miss the concert or buy the wrong tickets.

We know that the weekend can be quite a commitment for SAYM families but this is a fantastic celebration of youth music making not to be missed and a wonderful opportunity for our young musicians to perform in a great concert venue. We believe that however large the group every player has an important role to play so we hope everyone can take part in this special occasion!

**Tickets will be on sale at the City Hall – further information overleaf.**
