

# Saturday Music Centre

# Open Morning

## Saturday 24 March 2018

Salisbury Area Young Musicians offers the chance for young people to meet up and make music together. Whether you are already part of the SAYM musical family, or are considering joining us, our 'Open Morning' is a chance to see what we get up to in our SAYM ensembles.

Parents/Carers are invited to come along and 'sit in' on a session and enjoy the music making. If you are a young musician new to SAYM come along and sing and/or bring your instrument and play or just come and have a listen.
