

Opening

When you wish upon a star
Your dream comes true.

The second star to the right
Shines in the night for you
To tell you that the dreams you plan
Really can come true

I know you, I walked with you once
upon a dream
A dream is a wish your heart makes

I've been dreaming of a true love's kiss
And a prince I'm hoping comes with
this.

Some day my prince will come

How does she know that you love her
How do you show her you love her

No chance, no way I won't say it no,
no
You're way off base I won't say it no,
no
Get off my case I won't say I'm in love.

Sha-la-la-la-la-la
Float along
And listen to the song
The song say kiss the girl
Sha-la-la-la-la The music play
Do what the music say
You gotta to kiss the girl

And can you feel the love tonight

When somebody loved me everything
was beautiful

I know love will find a way
Somehow we'll come through

Now that I've found you
Love will find a way

New Worlds

I can show you the world,
Shining, shimmering, splendid
Tell me princess, now when did you
last
let your heart decide?

Up where they walk, up where they run
up where they stay all day in the sun
Wandering free, wish I could be
Part of that world

God help the outcasts,
Hungry from birth
Show them the mercy,
They don't find on earth

Two worlds, one family

We're soaring, flying
There's not a star in heaven
that we can't reach

And out there living in the sun
What I'd give
What I'd dare
Just to love one day out there.

Dreams and Wishes

I'm wishing
For the one I love
To find me (to find me)
Today (today)

I've got a dream
I've got a dream

Oh I just can't wait to be king.

No, no, no, no
(no, no, no)
Stick to the stuff you know

And we're all in this together
and it shows when we stand hand in
hand
make our dreams come true

Till then on days when the sun is gone
we'll hang on
Wish upon the moon
Change will come
one day some day soon

Work

Heigh Ho (Ahhhh)
Heigh ho, Heigh ho
It's off to work we go

In every job that must be done
There is an element of fun
You find the fun and snap the job's a
game

Seven a.m. the usual morning line-up
Start on the chores and sweep
'till the floor's all clean

Whistle while you work
Come on get smart
Tune up and start
To whistle while you work.

Villains

Hell fire, dark fire
Now gypsy it's your turn
Choose me or your pyre
Be mine or you will burn
In the dark of the night evil will find her
In the dark of the night just before
dawn
Revenge will be sweet
When the curse is complete
In the dark of the night she'll be gone

Poor unfortunate soul, it's sad but true
Prince Ali, yes it is he
But not as you know him

He ruled the underworld
But thought the dead were dull and
uncouth
He was as mean as he was ruthless
And that's the gospel truth

Trust in me
Just in me
Shut your eyes
And trust in me

Cruella De-vil
Cruella De-vil
If she doesn't scare you
No evil thing will
To see her is to take a sudden chill
Cruella, Cruella...

Deception, disgrace
Evil as plain as the scar on his face
He is not one of us
He has never been one of us
He is not part of us
Not our kind
And his teeth and ambitions are bared
Be prepared
Yes his teeth and ambitions are bared
Be prepared

Nonsense

Hakuna Matata
What a wonderful phrase
Hakuna Matata
Ain't no passing

Salagadoola
Menchickaboola
Bibbidi bobbidi boo
Put 'em together and what have you
got
Bibbidi bobbidi boo

Higitus, Figitus, Migitus mum
Prestidigitonium

Zipadee doo dah
Zipadeeay
My oh my what a wonderful day

A Biddledeedee
And a Biddledeedo
A bindle stick and away I go

Doo bup she doo Wooh!
Doo bup she doo Wooh!

Supercalifragilisticexpialidocious
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll always sound precocious
Supercalifragilisticexpialidocious

Under the Sea

Just keep swimming
Just keep swimming
Just keep swimming, swimming,
swimming

There's no place I'd rather be

Than on my surfboard out to sea
Hele hele mai kakoue
Hawaiian roller coaster ride

I'll tell you a tale of the bottomless blue
In mysterious fathoms below

Bobbing along, Bobbing along
On the bottom of the beautiful briny
sea

Under the sea
Under the sea
Up on the shore they work all day
Out in the sun they slave away
We got no troubles
Life is the bubbles
Under the ...

Line where the sky meets the sea it
calls me
And no-one knows, how far it goes
If the wind in my sail on the sea stays
behind me
One day I'll know how far I'll go
