

# Saturday Music Centre

## Open Mornings

### Saturday 6 /13 /20 June

Salisbury Area Young Musicians is all about making music together. Whether you already belong to the SAYM musical family or are considering joining us for one or more of our 'Open Mornings', you can see what happens in our sessions and join in.

- ✓ Young musicians new to SAYM, bring your instrument and play, perhaps join in the singing too, or just come and listen to a session. It really is great fun making music with SAYM,
- ✓ If you are already a SAYM member, bring a friend and perhaps try a choir too.
- ✓ Parents/Carers are invited to 'sit in' on a session and enjoy the music.
