

Spring Spectacular Concerts St Thomas's Church, Salisbury Saturday 16 March 2024

The Spring Spectacular concerts are always a great showcase for all the amazing musical talent we have in SAYM. The arrangements are quite different to our normal week of music making so please take some time to check the relevant information for the various ensembles.

Our Saturday Centre activities at Wyvern St Edmund's and St Martin's will run as normal on Saturday 16 March. (last full session in preparation for the concerts!)

There will also be our usual sessions on Saturday 23 March.

The weekend is quite a commitment for SAYM musicians and families, but this is a fantastic celebration of our youth music making. A great opportunity for our young musicians to perform in a lovely concert venue. However large the group, every player has an important role to play so we hope everyone can take part in this special occasion!
